Why Indonesia?

Indonesia is a G20 economy with 250 million of population. It is also a member of ASEAN which also represents a market of 650 million of population. Indonesia's business climate has improved remarkably as indicated with the climb 19 places to 72 from its previous rank of 91 as the World Bank announced for 2018 index. Moody's rating agency also upgrades Indonesia's rating to Baa2, and changes outlook to stable as per 13 April 2018.

With the sound macroeconomic improvement and pro business attitude, Indonesia is offering business opportunities to Swiss business players to cooperate through trade and partnership that can compliments strengths from these two countries.

We will help your business to arrange meetings during the events either with like minded companies or potential partners that suits your business interests.
