

GLOBAL ECONOMIC OUTLOOK

To the Friends of the
Swiss-Asian Chamber of Commerce

Zurich, 26th of March, 2015

Dear Friends,

We are very pleased to invite you and your partner on the occasion of our 20th Annual General Meeting of the Swiss-Asian Chamber of Commerce, to a presentation with **Dr. Daniel Kalt**, Managing Director, Chief Economist & Regional Chief Investment Officer Switzerland, UBS AG, Zurich.

He will be addressing us on the subject "**Global Economic Outlook**".

Wednesday, 15th of April, 2015
at Baur au Lac, Le Petit Palais, Talstrasse 1, CH-8001 Zurich

After the presentation a festive dinner will follow. The tables at the dinner will be divided by the countries making up the chamber, where the relevant Ambassador will be the table host.

We look forward to warmly welcoming you on the occasion of the 20th anniversary.

Yours sincerely,
Swiss-Asian Chamber of Commerce

Speaker

Dr. Daniel Kalt, Managing Director, Chief Economist & Regional Chief Investment Officer Switzerland

Daniel joined UBS in 1997 and worked as an economist in Swiss economic research until 1998 when his activity in this area was expanded to the UBS Group level. In 2000, Daniel was appointed Head of Strategy Development at UBS Credit Portfolio Management for three years. In 2003 he became Head of Swiss Economic Research before being appointed Head of Economic Research at WMR in 2006. In 2011 Daniel was appointed Chief Economist Switzerland. In this position he is responsible for all research products targeted at UBS Switzerland, is a regular speaker at UBS client events and advises UBS' top management on economic and political developments. Since 2012 he has also held the Regional Chief Investment Officer Switzerland position.

Daniel received a Ph.D. in economics ('The Credit Channel as a Monetary Transmission Mechanism: Some Microeconomic Evidence for Switzerland') from the University of Berne in 2000. Prior to that, he completed the Program for Beginning Doctoral Students, Macroeconomics, at the Study Center Gerzensee of the Swiss National Bank in 1997, and received his B.Sc. in economics (Lic. oec. publ.) from the University of Zurich in 1996.
